

SWEET TREATS CARE CARD

A little care goes a long way. Here's how to keep your treats at their best.

SAFE TRANSPORTATION

COOL	Run your A/C before pickup; avoid sunlight, heat, and hot trunks.
FLAT	Keep boxes upright on a clean, level floorboard or flat surface—not a seat or lap.
SECURE	Prevent sliding or tipping; do not stack boxes.
DIRECT	Go straight to your destination. Never leave treats in a parked vehicle.

HOW TO STORE YOUR TREATS

Cake Pops	Room temperature: 3 days Refrigerated: 2 weeks Frozen: 3 months. Store airtight. Thaw completely while sealed to prevent condensation.
Cookie Cake Bites	Up to 5 days in an airtight container in a cool, dry place. Refrigeration is not recommended for best texture. Keep buttercream and chocolate chips away from heat.
Walnut Baklava	Up to 5-7 days airtight in a cool, dry place. Avoid refrigeration to preserve flaky layers. Enjoy at room temperature or slightly warmed.
Signature Loaves	Room temperature: 5 days in an airtight container. Refrigerated: 10 days, tightly wrapped or sealed. Let slices come to room temperature before serving.

A SWEET REMINDER

For outdoor events, keep treats cool, shaded, or climate-controlled until serving. After pickup or delivery, Lotus Sweet Treats is not responsible for damage caused by improper transportation, storage, handling, or temperature exposure.
